

REQUEST FOR DUST CONTROL 2019

1-DUST ABATEMENT

INSTALLATION OF CHIP & SEAL: Compacted AB-3 base, one (1) application of MC-250 road oil, one (1) application of MC-800 road oil and one (1) installation of MC-3000 road oil with three (3) applications of chip rocks is **\$13.50 per foot**.

2-MAINTENANCE

INSTALLATION OF CHIP & SEAL: Only applied on existing chip & seal dust abatement that are ineligible for County funded maintenance, one (1) application of MC-3000 and one (1) application of Cover Material is **\$3.00 per foot**.

The Leavenworth County Dust Control Program was revised for 2018 to remove mobilization costs and provide a price per lineal foot for work performed. Dust Abatement requires a minimum of 300 consecutive feet (a group of neighbors may split the cost if desired, and should submit their application as a group.) Dust Abatement added to existing hard pave roads will not require future maintenance by the property owner.

Please complete the bottom portion of this form and return it with your check or money order payable to Leavenworth County, 300Walnut St., Leavenworth, KS 66048. Should you have any questions, please contact Public Works (913) 684-0470 or the County Shop at (913) 727-1800 between the hours of 8 a.m. and 4:00 p.m. You can obtain the form by coming to the Department of Public Works or the County Shop, calling an email request, emailing a request to publicworks@leavenworthcounty.org or visiting www.leavenworthcounty.org
